Award Winning Homes

Builder Highlights: L.R. Hill Custom Builders Inc. has been carefully organized to ensure the building process is smooth, comfortable and hassle free. We listen intently to each family's unique needs so that every home is designed and detailed to accommodate your individual lifestyles. Larry personally supervises the construction of each home to ensure precise attention to every detail. His homes have received countless awards throughout the years for their creative designs, quality craftsmanship and impeccable detail.

Home Description: An elegant transitional home with all the flexibility and options an active family desires. Special features include a double staircase, a dramatic 2-story family room, and a "flex" room which can be used as a study, Florida room or adjusted to become a first floor in-law suite. A popular option in this home is a family game room above the family room.
